

MEET MS. LEE

Hello! This is Ms. Lee. I have been teaching in Alhambra Unified School District for more than 20 years. This is my 9th year teaching 6th grade math. I enjoy working with middle school students. I can speak Mandarin and Cantonese very fluently. If parents need some help, you can contact me in Chinese.

I love teaching math even though it is not an easy job. My goal is to help each and every one of my students reach their greatest potential as a learner with strategies applied not only in the classroom, but also in the real-world. I believe all students are capable of learning and being excellent through their many talents, efforts and determination. I will provide a learning environment in which students feel safe and comfortable, where expectations and rules are consistent and clear.

Thank you for your support. Please contact me by email if you have any questions. My email is lee_clara@ausd.us. I am looking forward to a great unusual year ahead.
